HTML	AWS
MongoDB	CSS
Git	Xcode
VS Code	Docker

Hobbies

Fly Fishing

Camping

Backpacking

Skiing

Wood Working

Farming

Web and Mobile Developer with a deep passion for technology and the outdoors. I aspire to do work that changes lives and helps people experience the outdoors in new and exciting ways. I have a strong work ethic, desire to learn, and am confident I would be a great addition to the Gaia development team!

Experience

Jun 2015 - Present

Junior Web and Mobile Developer (3 years as remote intern)

American Center for Law and Justice (ACLJ)

- Developed iOS and Android mobile application using React-Native (apps.apple.com/us/app/aclj/id501155881)
